SUMMARY

Highly adaptable and quick-learning professional with strong computer literacy and a proven ability to master new technologies and processes efficiently. Demonstrates exceptional analytical skills, a proactive approach to problem-solving, and the ability to thrive in dynamic and fast-paced environments. Known for effectively utilizing computer skills to enhance productivity and drive success. Eager to apply these capabilities in a challenging role to contribute to organizational growth and innovation.

WORK EXPERIENCE

Verification Specialist, OwnBank

Oct 2023 - Dec 2024

As a Verification Specialist at OwnBank, I verify and review customer information and documents to ensure accuracy and compliance with banking regulations. I check IDs, financial records, and account details to confirm authenticity and support KYC and AML requirements. My goal is to help prevent fraud and maintain the integrity of the bank's verification process.

Secretary, LG Unitech Inc.

Feb 2025 - July 2025

As a Secretary at LG Unitech with HR responsibilities, I handle both administrative and human resource tasks to support daily operations. I manage schedules, correspondence, and documents, and assist in HR activities such as recruitment, employee records management, and onboarding. I also help with attendance tracking, employee documentation, and basic payroll support. My role ensures smooth office operations and effective coordination within the organization.

Fraud Investigation Assistant, OwnBank

Aug 2025 - Present

As a Fraud Investigation Assistant at OwnBank, I help monitor and review transactions to detect and prevent fraudulent activities. I assist in gathering and verifying information, preparing suspicious transaction reports, assisting in BancNet web portal and supporting investigations. I work closely with the fraud team to ensure all cases are handled accurately, efficiently, and in compliance with bank policies and regulations.
